

Reggie Sanders

Pittsburgh Pirates Outfielder

About the Cause

Proceeds from this evening will benefit The Reggie Sanders Charitable Fund which directly supports the Autism Society of Pittsburgh. Reggie knows first hand the difficulties children and adults suffer with this disease because his brother Demetrius has been living with autism for 23 years.

Autism is a complex developmental disability that typically appears during the first three years of life. The result of a neurological disorder that affects the functioning of the brain, autism impacts the normal development of the brain in the areas of social interaction and communication skills. Your participation will help to support education, awareness, advocacy, research and most importantly, enable the Autism Society of Pittsburgh to assist families living with autism find better treatments for autism.

Reggie Sanders

Pittsburgh Pirates Outfielder

Invites you to join him and many of his teammates for
an evening of great food and entertainment.

Sunday, August 17, 2003
